OBJECTIVE

I specialize in designing and developing efficient, scalable, and high-performance software solutions for a wide range of platforms, ensuring seamless functionality and user satisfaction.

EDUCATION

COMSATS University Islamabad, Abbottabad Campus
Software engineering

Abbottabad, Pakistan
Sept 2022 – Jul 2026

APSACS FF CENTRE, Abbottabad
Pre-engineering

Abbottabad, Pakistan
Jun 2020 – Jul 2022

PROJECTS

E-commerce Website design

Developed the user interface of an existing e-commerce platform, resulting in a 20% increase in user engagement. Implemented responsive design and improved accessibility, enhancing the website's usability across various devices.

Personal Portfolio Website

Designed and developed a personal portfolio website to showcase projects, skills, and resume. Implemented a smooth scroll feature using JavaScript for improved navigation between sections
